

**American Rugby Outfitters will be doing our part in trying to protect the health and welfare of everyone by closing our facility as that is our top priority right now during these unprecedented times.**

**As we limit the in-person interaction, you can still place online orders through our websites as well as email and phone orders too, that will be processed and shipped accordingly ASAP as allowed by regulation with our partner vendors.**

**We will be working remotely during these times. If we aren't available to answer the phones please leave a message or E-mail us and we'll respond usually within a couple of hours.**

**We appreciate your understanding as we implement these temporary changes that will help in keeping us all safe.**
