

As of May 1st we reopened to customers who want to pick-up pre-orders curbside in addition to the shipping of online and phone orders as we've been doing. We ask that you please wear a mask or face covering when picking up per the request of the State.

American Rugby Outfitters will continue doing our part in putting the health and welfare of our employees, customers and everyone involved in our facility as our top priority right now during these unprecedented times.

As we limit the in-person interaction, you can still place online orders through our websites as well as email and phone orders too. We will process right away and shipped or scheduled for pickup accordingly ASAP as allowed by IL regulation and our partner vendors.

We still may be working remotely or on another line at times so if we aren't available to answer the phones please leave a message or E-mail us and we'll respond usually within a couple of hours during office hours.

We appreciate your understanding as we implement these temporary changes that will help in keeping us all safe.

If you have any questions, please feel free to call us at (847) 981-1242 or 1-800-GO-RUGBY (467-8429) or email us at customer_service@americanrugby.com

**Thank you,
American Rugby Outfitters**
