

American Rugby Outfitters will be doing our part in trying to protect the health and welfare of our customers and employees by closing our facility to the public as that is our top priority right now during these unprecedented times.

We have put restrictions on travel, postponed events, limited the size of meetings, provided optional remote-work solutions, and communicated best practices that reinforce safe behavior in our work environment.

As we try to limit the in-person interaction, you can still place online orders through our websites as well as email and phone orders too, that will be processed and shipped accordingly.

We will also be limiting our employees time in the office and be working from home at times for their safety. If we aren't available to answer the phones please leave a message or E-mail us and we'll respond usually within a couple of hours.

We appreciate your understanding as we implement these changes that will help in keeping us all safe.

If you have any questions, please feel free to call us at (847) 981-1242 or 1-800-GO-RUGBY (467-8429) or email us at customer_service@americanrugby.com

**Thank you,
American Rugby Outfitters**
